### Dear Parents/Guardians:

Here is our school's report card for the 2003-2004 school year. This report card is full of important information, including academic performance, teacher qualifications, our learning environment, and much more. Please take a moment to learn more about our school. For a more detailed look at our school, please contact us to see our Expanded Report Card on file at school, which includes more information than we can provide here.

### The School Growth Chart:

To see how we're performing, please take a moment to examine our growth chart. This chart starts with our school's baseline CATS score from 2000. We've drawn a goal line from that starting point to our goal of 100 in 2014. Every two years a new index point will be marked on the chart to show whether we are meeting our goal and earning rewards, progressing but short of our goal, or falling far short of our goal and eligible for state assistance. Over time, these points will form a performance trend line for our school.

Year	Goal Line	Assistance Line	Index
2000	100		100.9
2002	99.9	79.1	104.7
2004	99.7	79.1	103.3
2006	99.6	79.1	
2008	99.5	79.1	
2010	99.4	79.1	
2012	99.2	79.1	
2014	99.1	79.1	
Standard Error: .9			

### About Our School

The mission of Goshen Elementary School, with the help of parents and community, is to promote the overall intellectual, physical, emotional and social development of each child so that she/he will become a productive, healthy, creative citizen of our society. We accomplish this with a comprehensive curriculum, which is based on district, state, and national standards. Our students participate in reading and writing workshops, hands-on math and science, research and higher-level critical thinking skills throughout the day. Guidance, special education, and gifted/talented services are also provided. Our first year primary students (Kindergarten) are provided with an optional full day program. Our second and third year primary students (1st and 2nd grades) are combined and remain with the same teacher for two years. The same is true for our last year of primary (3rd grade) and 4th grade students. This allows us to provide a secure and nurturing environment for our young students to ensure individual needs are met. A climbing wall and high ropes course, Orff instruments, and a variety of visual arts enhance our children's wide array of experiences in the arts and physical education. Goshen Elementary strives to build strong partnerships between home, school, and the community to provide the best experience for our students.

### How Our School Ensures Educational Equity

Goshen Elementary provides a comprehensive program for all students. We ensure equal education opportunities for all students through a variety of instructional methods and materials. Our special education, English as a Second Language, and gifted/talented students receive instruction in the regular classroom, as well as service from specialists. Extra-curricular activities are open to both boys and girls equally.

**School Enrollment (end of year membership 2003-2004): 741**

## How Our Students Perform

Kentucky uses the Commonwealth Accountability Testing System (CATS) to hold schools accountable for student progress. CATS has three parts: the Kentucky Core Content Tests, the national Comprehensive Test of Basic Skills (CTBS/5), and other measures of the school's performance, including attendance, retention and dropout rates. Together these three elements make up a school's CATS Performance Score for every two-year period.

### Kentucky Core Content Tests

Kentucky's tests rate student performance using four categories: Novice, Apprentice, Proficient, and Distinguished. These categories translate into a scale of 0-140, with 100 being considered proficient. The state goal for all schools is 100 by the year 2014. This chart compares our school's performance with all the schools in our district and all the schools in Kentucky.

KCCT Test	Novice			Apprentice			Proficient/Distinguished			Academic Index		
	School	District	State	School	District	State	School	District	State	School	District	State
Reading 4th	2%	6%	11%	8%	11%	22%	90%	83%	67%	105.7	98.3	86.8
Science 4th	1%	3%	7%	13%	23%	38%	86%	75%	55%	107.8	101.5	87.5
Writing 4th	2%	4%	9%	36%	48%	52%	62%	47%	39%	85.2	77.9	72.3
Mathematics 5th	2%	9%	23%	13%	19%	29%	84%	72%	48%	107.1	98.9	77.1
Social Studies 5th	1%	8%	21%	15%	16%	24%	84%	77%	56%	109.8	100.2	81.8
Arts & Humanities 5th	10%	15%	27%	47%	51%	51%	43%	34%	22%	77.1	70.3	58.3
PL/VS 5th	2%	6%	15%	10%	18%	27%	88%	77%	58%	107.1	98.9	82.4

The goal is that by 2014 nearly all students will score proficient or distinguished.

### National Norm Referenced Test

The national norm referenced test used in Kentucky, the CTBS/5, measures the basic skills of our students while allowing us to compare their performance with national benchmarks established in 1996. These scores are reported in percentiles. A percentile shows the percentage of students who fell below a particular score on the test. For example, a percentile of 60 would show that the average student in our school scored equal to or better than 60 percent of all students who took the test.

National Norm Referenced Test (CTBS/5)	School	District	State	Nation
End of Primary (EOP) Reading	76%ile	75%ile	64%ile	50%ile
EOP Language Arts	68%ile	70%ile	62%ile	50%ile
EOP Mathematics	72%ile	75%ile	66%ile	50%ile

### Other Measures

The final component of CATS is our school's performance in Attendance, Retention, Dropout and Transition to Adult Life, where appropriate. (The Retention Rate is the percent of students who were not academically ready to go on to the next grade and had to repeat the grade.) Data in these tables reflect our performance during the 2002-2003 school year.

	Attendance Rate	Retention Rate
School	96.9%	0%
District	95.7%	0.8%
State	94.3%	3.4%

### State Contest Results: Academic/Speech, Band, Chorus, and Orchestra

## Teacher Qualifications

This chart shows the level of teacher certification, continuing education, and classroom experience of our teachers. These numbers do not include our administrators, guidance counselors, or library media specialists. Please bear in mind that teachers may be fully certified and yet not possess a formal major or minor in the subjects they are teaching. Upon request, our district will provide information about the qualifications of your child's teachers and teachers' aides.

	Sch.	Dist.	State
% of Classes Taught by Teachers Certified for Subject and Grade Level	100%	100%	NA

### Procedures in Place in Our School for Drug and Weapons Detection

Oldham County Policy 9027.1 states: Students shall not deposit, possess, carry, transfer, or cause to be brought to school any deadly weapon or any object made to look like a deadly weapon. Any object may be removed from students when a teacher has a reason to believe that it may be used in any unauthorized manner to cause harm to person or property. Oldham County Policy 9085 states: No pupil shall possess, use, consume, sell, distribute, or be under the influence of any alcohol, controlled substance, any substance that looks like a controlled substance, any unauthorized prescription or over the counter drugs, or any drug paraphernalia. Our guidance program emphasizes that students report big problems (e.g. weapons, drugs) to their teacher or the administration.

Violation	Number of Reported Incidents	Number of Students Suspended or Expelled for This
Aggravated Assault (with intent to cause injury)	0	0
Drug Abuse Violations	0	0
Weapons Violations	0	0

District	\$5767	17:1	5.8:1	100%
State	\$7007	16:1	3.8:1	100%

### How We Use Technology to Teach

Technology is an integral part of our curriculum. All of our classrooms have three or four networked computers with Internet access. We also have a fully equipped computer laboratory designed for instruction and research. We offer instruction and application in the following programs: Microsoft Office 2000 (word processing, spreadsheet, database, slide presentations, calendar, and email), Internet Explorer (web browsers), Graph Club and Number Cruncher (data spreadsheets), Type to Learn and Type to Learn Jr.(keyboarding tutorials), Inspiration and Kidspiration (graphic organizers), Accelerated Reader, and other content specific software. Parents may access information using our Goshen web page, and individual teachers also maintain a class web site. Teachers also use hand-held computers with the Palm OS to organize, plan, and manage instruction. Our School Technology Coordinator and School Technology Specialist work directly with students to teach technology skills and applications.

What We Are Doing To Improve

Our Comprehensive Improvement Plan contains many strategies which we are presently implementing to improve student achievement. The highlights of the plan include revising curriculum and instructional practices to meet best practice standards in all areas. ARTS and HUMANITIES: Strong integration of the arts into all other subject areas. MATHEMATICS: School-wide Implementation of INVESTIGATIONS, a math resource that incorporates hands-on exploration, higher levels of thinking, communication, and problem solving. READING: Implementation of reading instruction through reading workshop as well as implementation of JUNIOR GREAT BOOKS program to promote inferential comprehension. SCIENCE: Implementation of research and curriculum that promotes higher level thinking and inquiry. WRITING: Implementation of writers’ workshop, in which students publish writing in the areas of transactive, literary, reflective, and personal writing. Kindergarten and Primary teachers implement the PRIMARY WRITING CURRICULUM by Lucy Calkins, et al. STUDENT SUPPORT: Implementation of the OLWEUS Bullying Prevention Program. Increased parent involvement through the use of newsletters, web sites, and informational parent nights. Comprehensive, state-of-the-art media center allowing all students to have access to a variety of technological applications. TECHNOLOGY: Continued advancement in our use of technology through purchases of hardware and software.
